Sorry for the inconvenience, we will update the conference website after 4 July 2021 due to the maintenance of our server.

The followings are the instruction of registration

1. **Full** registration includes:

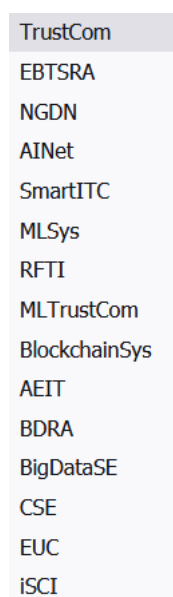

- Publication of one accepted paper in the proceedings
- A copy of the proceedings (Webpub publication) the accepted paper belongs to
- Access to all conference sessions and workshops/symposia
- Program brochure, souvenir, banquet, lunches during the conference.
- For papers to be published in IEEE CPS proceedings.

For main conference, authors are allowed 8 pages with basic registration fees for Regular Papers that will appear in the IEEE CPS conference proceedings. Up to 4 additional pages may be purchased at a rate of USD \$100 or RMB ¥700 per page. For other workshops, authors are allowed 6 pages with basic registration fees that will appear in the IEEE CPS conference proceedings. Up to 4 additional pages may be purchased at a rate of USD \$100 or RMB ¥700 per page.

Please note that if your payment is not received by that date, the paper will be removed from the proceedings. This deadline will be strictly enforced.

2. For **Full** registration, in order to qualify for the IEEE member reduced registration fee, the IEEE membership number must be included in the registration form. Similarly, in order to qualify for the student reduced registration fee, proof of current student status (e.g., current Student ID or other proof of current enrollment) must be e-mailed (as an attached scanned image or pdf file) to qihan@sau.edu.cn. Please note that both current IEEE membership and student status will be verified.
3. If you register for the main conference, for example, your paper is TrustCom-127, please choose the conference name as "TrustCom", then fill in "127" as the paper ID on the registration form. For Transfer Paper, you can use the new Conference or Workshop Acronym, and the old paper number you got when you submitted your paper. For example, your paper TrustCom-100 is transferred to IEEE CSE 2021, then you can use "CSE" as conference name and "100" for the paper ID. (If you cannot register as a transfer paper due to possible paper ID duplication, please email interconf_sau@googlegroups.com, and we will assign you a new one)

For the Conference/Workshop Acronyms, please find the following screenshot.

Any incorrect use will lead to the registration failure. Please use "Conference Acronym/Workshop Acronym"-“Paper ID” in Notification Email or from your Workshop Chairs as your Paper ID.
